**Sub.: Proposal for training needs.**

Dear Sir,

This institute conducts refresher training courses and training programmes for multiple disciplines in the field of forest and wildlife conservation,biodiversity conservation,use of IT in forest and wildlife management,digitization of forest records,environment awareness,forest crime controls,capacity building of the "FORESTERS" etc.We try to select the courses looking to the latest needs of the department even though we believe that many more courses may be conducted to fulfill the needs of the field management.

We will appreciate if you can send us your proposals for need of training in different areas which you want to impart to your officers and staff. You may suggest the course title,course contents and the related faculties as well so that we can organize the further training courses in such a way that your training needs are fulfilled to your requirement.It will be incorporated in the training modules and will feature in our future training courses.

A prompt and affirmative response is expected and appreciated.

With regards,

Sincerely yours

(Rajiv Chaturvedi)

Conservator of Forest,

FTI,Rajasthan
